

Bushwick Open Studios is a free 3-day Festival organized by the nonprofit Arts in Bushwick. BOS '10 is the fourth annual open studios festival produced by Arts In Bushwick, and will take place Friday June 4 through Sunday June 6, 2010. BOS 09 featured more than 250 artist studios, group shows and events in 125 locations over three square miles, and thousands of people came out to enjoy and experience the events. We're hoping to make this year bigger and better than ever! And with your help...
